Dear Parents and Guardians:

This letter is to communicate recent happenings with your students' cafeteria account. Recently, NutriKids Point of Sale and My School Bucks online prepayment system has experienced technical difficulties regarding the importing of cash, check, and online prepayments into student accounts. The NutriKids support team is currently working on this issue and all prepayments that have been placed will eventually flow into your student's account.

At this time, we do not have a timeframe of when this issue will be corrected. We apologize for the inconvenience this is causing and want to assure you we are doing everything in our power to get the system operating correctly. Please feel free to contact me with any questions.

Thank you!
