Love like you'll never be hurt,
Sing like there's nobody listening,
And live like it's heaven on earth."

Word of the Month: Perseverance

Always be determined to do your best. Set goals and objectives for yourself. Pursue those goals relentlessly. Have dreams and follow those dreams. Winston Churchill in a speech to young people simply said, “Never, Never, Never, Never, Give Up.” The verb persevere means to continue in a course of action EVEN in the face of difficulty or with little or no indication of success. PERSEVERANCE!
