A Note from the Principal:

The end of the school year is truly "bittersweet" for me. Summer is exciting, but I know that I will miss the faces that I have grown accustomed to seeing each and every day! I cannot express my gratitude enough for all the help and support I have experienced throughout the year.

I want to first thank our students who inspire me each day. They have worked so hard during this difficult year to reach their full potential. In today's world learning is full of a lot of challenges. Not only do we expect our students to learn, but we also expect them to be able to apply what they know, explain what they know, and finally be able to restate what they know in a variety of ways. Daily I witness students who are willing to help each other and take care of each other which is truly an inspiration for all of us. This has been a year with multiple disruptions and unusual protocols but through it all our students have been great!

I want to thank our committed and caring staff. Not a day goes by that I am not impressed by the family of teachers and support staff that I work with daily. Our staff goes the extra mile to reach our students, and to help each other. I feel blessed to work with a group of adults who put students first, every day.

I want to thank our PTO. If you have not had the opportunity to be a part of this group, please be aware of all the things that they support (and make possible). Our PTO works very hard to raise funds which are used to finance a lot of activities for our students and staff. I want to personally thank those individuals who have served as officers as well as those who have volunteered to serve during our special events. Even though this year has been a difficult year due to the restrictions this organization has always supported our students and staff.

Finally, thank you to our parents for sharing the gift of your children with us this school year. We feel honored that you entrusted us with your children. We have enjoyed them daily. We wish you a safe and happy summer and look forward to you returning in the fall. Please note the upcoming events that are scheduled for May.

Honor's Day

May 13

K-3 starting at 1:00pm

4-6 starting at 2:00pm

This year Honor's Day will be a little different than in past years. We will have 2 sessions on the same day. K-3 grade students who receive awards will be honored during a ceremony starting at 1:00 pm, and 4th-6th grade students who receive awards will be honored during a ceremony starting at 2:00 pm. In order to limit the number of people in the gym student family groups will be limited to 4 adults and any younger siblings. Example: You have 2 children that attend FES. Those 2 children are allowed 4 adults and any younger siblings may attend. This will help keep our numbers at a minimum but allow for students to finally be able to share a special event with their loved ones. We are asking that all people wear a mask while in our facility and sit in family groups as socially distanced as possible. We appreciate your help in this matter and hope you understand that we are trying to be accommodating and safe at the same time. At the end of the K-3 Awards Ceremony those students will be dismissed to their classroom. If you plan on your child leaving with you at this time, you will need to have a permission slip on file with the teacher and sign your child out prior to taking the student with you. We appreciate your help in making this day run smoothly. Please call the office if you have any questions or concerns.
