### A Note from the Principal:

It is amazing how fast this year has passed and the changes that have occurred. However, it is now April, and we only have two months left of the 2022/2023 school year. It is bittersweet time as we face the end of an era—the end of Francisco Elementary. Our hearts are heavy as we complete this year—we reminisce of the impact that Francisco Elementary has had on so many lives. On May 4<sup>th</sup> we are planning a Farewell to Francisco to share the joy and celebrate the good times that occurred at Francisco Elementary. We hope that you will come and share your story, walk through the facility, reminisce about all the good times, and visit with people of the past and present that still hold this place near and dear. At the present time we have a planning committee working on all the details but please be sure to save the date because you will not want to miss it!!!

In the month of March, our second and third-grade students participated in I-Read at Francisco Elementary. I am very proud of our student's performance and their continued commitment to education. Test results will be sent out in a timely manner to third grade students. Students in 3<sup>rd</sup> grade who did not pass the I-Read will have a second opportunity to test during the summer window May 30<sup>th</sup> -June 2<sup>nd</sup>.

Beginning Monday, April 17<sup>th</sup>, all student's 3<sup>rd</sup>-6<sup>th</sup> grade will begin taking the Indiana I-Learn Test. The testing window is open from April 17-May 12. We will start testing on April 17<sup>th</sup> and continue until we have completed all tests. At Francisco Elementary students should have most of the test completed by the end of April. Please make sure your child is on time to school those days, has plenty of rest at night, and eats a healthy breakfast. We want to encourage our students to "show what they know" on those days. Please help us encourage your child to do his or her very best!

I hope that you enjoy your Spring Break. Upon return we will be in full academic mode at Francisco Elementary School. Students and Staff will be working toward all the end of the year events from academic testing, field trips and Honor's Day. Please save the date of May 12<sup>th</sup> for Honor's Day.

As we start the last nine weeks of the year, I want to personally thank you for all your support. I want to remind you that you have some awesome children. Keep praising them, encouraging them, and supporting them because they need you and Francisco Elementary School needs parents who are involved! We say "Thank You" for all your help throughout the school year especially this year.

Sincerely,

Jane A. Reed

Principal of Francisco Elementary School

As warm weather approaches, I want to remind parents that we have a dress code at Francisco Elementary School. Please make sure that your student is dressed appropriately for school. We appreciate your help in this matter.

All shirts worn should have sleeves (shoulders are not to be exposed). Shorts, tank tops, halter-tops, tops which reveal the midriff, neckline, or any clothing, which is inappropriately revealing is not permitted. Shorts/Skirts/dresses are to be a minimum of fingertip length.

Save the Date  
Farewell to FES

Please save the date of May 4, 2023, to join us as we say farewell to our beloved school that will be closing at the end of this school year.

We would love for you to join us because you have played a role in the life of Francisco School. Come walk the halls, share your stories, and visit with past and present people who have made a difference at Francisco School. We look forward to opening the facility for you to enjoy an evening with us.

PERSEVERANCE: the ability to work through situations even there are OBSTACLES or CHALLENGES in the way
