## A Note from the Principal:

*As we come to the end of this school year, I wanted to take a moment to reflect on all that we have accomplished together. It has been an honor to serve as your principal and to witness the dedication and hard work of our students, teachers, and support staff.*

*Unfortunately, at the end of the year we will be closing our doors. Due to declining enrollment, the school board made the difficult decision to close our beloved school. This was not an easy choice, but it is necessary to ensure the best possible education for all our students. On May 4<sup>th</sup> at 5:30, Francisco will be having an evening for the community to come and celebrate the impact that this school has had on their lives. We hope that you will plan to join us for this special event.*

*I want to express my deepest gratitude to everyone who has contributed to our school community over the years. You have made this a place of learning, growth, and kindness, and I know that the lessons and memories we have shared will stay with us forever.*

*As we prepare to say our goodbyes, please know that my thoughts and best wishes are with each one of you. I am confident that the future holds great things for all our students, and I hope that they will carry the spirit and the lessons that they learned at Francisco Elementary with them as they continue their educational journey. I hope that your journey includes East Gibson School because each of you hold a special part in my heart.*

*I want to say thank you to our students who inspire me daily. To my staff who works hard to make sure our students receive a quality education I appreciate all your efforts. Finally, thank you to our parents for sharing the gift of your children with us this school year. We feel honored that you entrusted us with your children. We have enjoyed them daily. We wish you a safe and happy summer and look forward to you returning to the restructured East Gibson.*

*Please note the upcoming events that are scheduled for May.*

*Jane A. Reed*

*Principal of Francisco Elementary School*

# Honor's Day May 12 K-6 starting at 1:00pm

Parents and guest are encouraged to attend the program at 1:00. All the students will be together in the gym for the program. At the end of the Awards Ceremony, students will be dismissed to their classrooms. A written note from home will be required for a student to leave with anyone who is not a guardian/parent. Parents/Guardians will be able to go to the classroom and sign out the student. Any person who has written permission to take a student home will also be required to sign out the child with the child's teacher prior to leaving the building. We appreciate your help in making this year's event run smoothly and securely for the safety of our students. Please call the office if you have any questions or concerns about the day's event.
